

Why Do We Have Fundraisers?

Points and money are needed for the music trips. All groups have qualified and have been invited to represent the Grande Prairie Composite High School at the National Music Fest Canada in Vancouver, May 2007. We are currently proposing to attend. Students are encouraged to earn their way by volunteering for the many fundraisers, thus earning points in lieu of only paying cash. Most students manage to earn at least half in points and pay the rest in cash.

How Do Points Work ?

One point = 1 dollar towards trip. Points are not refundable for cash. (Information will be sent home with the students in October .)

Amounts raised on fundraising events (points) are listed by student (using School ID number, not names) on the MUSIC office window and are updated once a month.

If you think there is an error, please contact the Music Director Mike Townsend via email: mike.townsend@gppsd.ab.ca. We can't fix it unless you tell us it is broken!

Each hour of volunteer time is now worth 15 points as of Nov. 15th, 2006 (in other words, you get 'paid' \$15/hour!). Remember though that points are not refundable for cash!!!
