

Cinder's Wardrobe Society
Cinder's Wardrobe Dream Grad Project

Cinder's Wardrobe Society has a goal of helping Grads participate in their Graduation Ceremony regardless of their financial status, by assisting them with their formal attire.

Are you a GRAD – or do you know a grad - who could use a Fairy Godmother to make your Dream Grad attire a reality?

Applications for potential Cinderella's and Cinderfella's are available online, as well as from their School Counselor. Our Boutique day will be mid-late February!

IF so, applications are available from Dawna Baird in Student Services, as well as from the below email address.
