

Registering for Busing

As we move to online registration in Grande Prairie Public School District (GPPSD), Parents will be able to register their children online for Busing.

In order to register for Busing, students have to be registered and approved in a GPPSD school, as well as being eligible for busing.

Parents will have received an email once your student registration has been approved at your school with their PowerSchool Parent Portal information. Please **check your Junk Mail Folder** if you feel you didn't receive it. The email looks like the picture to the right.

Check our Bussing Eligibility Button on our website to determine eligibility for bussing.

To be eligible for a bus pass a student must live within the Grande Prairie city limits and
