

## Notice

### **GPPSD Parent/Guardian Assurance Survey**

*Your feedback is valuable to us!*

**Closes  
April 27**

**10 min.  
Survey**

**Contact  
School**

**April 18, 2023** - Our annual Grande Prairie Public School Division Assurance survey has launched. The survey closes on April 27, 2023, at 11:59 p.m.

Parents, guardians, and staff will have received an email with a link to our annual survey from their school; please check your inbox or spam folder. If you require the link to be resent, please get in touch with your school.

#### **About the survey**

- All responses remain anonymous (it is not necessary to put your name on the survey).
- Parents/guardians, if you have more than one child, please complete the survey for each child to provide feedback on each of their experiences.

#### **Why your participation matters**

Every year, we ask GPPSD parents/guardians, staff, and students in grades 4-12 to provide feedback to help develop annual division and school Education Plans. The information provided helps improve the quality of education for all members of our community.

Results from the Division Assurance survey and student achievement data are used to update Division and School [3-Year Education Plans](#) each spring.

- These plans identify the priorities, outcomes, and strategies used to achieve our goals.
- Evidence is used to assess progress and guide planning to support continuous improvement.
- Engagement with school councils, parents/guardians, staff, and students helps inform school and division priorities.
